Date: 13.04.2016

Sub: Municipal Administration Department – Swachh Bharat – Swachh Telangana –
Construction of Community Toilets through SLF/ TLF –permission accorded - Reg.

Ref : 1.This office circular Cir.Roc.No. 4124/2010/H2 dated 14.10.2015
2. Minutes of the Meetings held with ODF ULBs on 13.04.2016 at HMWSSB
Conference Hall, Hyderabad

I wish to inform that this office has issued instructions to all the ULBs to implement Swachh Bharat - Swachh Telangana and issued "Comprehensive Guidelines for construction and maintenance of Community and Public Toilets" vide reference 1st cited. Most of the ULBs have identified places for construction of Community Toilets for the households who do not have space in their premises for construction of individual toilets.

Meanwhile, Govt of Telangana has launched 100 days action plan to transform 15 ULBs out of 21 ULBs into ODF towns by 2nd June 2016 i.e, the Telangana State formation day. In view of above, to speed up the construction of community toilets across the ULBs of the state, the Municipal Commissioners are hereby permitted to take up construction of community toilets through SLF/ TLFs of the local community instead of tender procedure. The MCs shall ensure implementation of the guidelines on Community toilets issued earlier vide reference 1st cited. The ULB shall enter into a Memorandum of Understanding with SLF/ TLFs to take up construction and maintenance of the Community Toilets.

The Municipal Commissioners are further instructed to ensure all quality checks during the course of construction as per the existing procedure before making payments. The construction of Community Toilets can be taken up in all the identified places in the ULBs and a proposal may be submitted to this office for release of funds.

This may be treated as "MOST IMPORTANT"
