Dear All,

The Ministry of Overseas Indian Affairs has set up India Development Foundation of Overseas Indians (IDF-OI) as a not-for-profit trust (with the approval of Cabinet) to promote donations and contributions by Non-Resident Indians and Persons of Indian Origin to social and development projects in India. Smt. Sushma Swaraj, Hon'ble Minister of Overseas Indian Affairs is the Chair person of IDF-OI.

IDF-OI is keen to work with Swachh Bharat Mission (SBM) and offer projects related to SBM to Non-Resident Indians and Persons of Indian Origin for funding.

In this connection, State Governments are requested to identify projects within the range of Rs.2 lakhs to Rs.20 lakhs and identify specific location of the project, budget outlay, timelines and implementation agency.

Once we receive this information from the State Governments (as per attached template), we will project them to the Overseas Indians through our outreach networks. The Overseas Indians can send their contributions for these projects through IDF-OI.

We look forward to receiving from you a list of such projects as per the attached template.

Best Regards

Vani
